Project Name	Project - Personal assistance for seniors who are self reliant

Text to speech Service:-

The screenshot displays the IBM Cloud management interface for the Text to Speech service. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Joshikka sri E's Account). The main content area is titled 'Text to Speech-cj' and shows the service is 'Active'. A left sidebar lists management options: Manage (selected), Getting started, Service credentials, Plan, and Connections. The main panel is divided into two sections. The top section, 'Start by viewing the tutorial', contains a 'Getting started tutorial' button and a link to the 'API reference'. The bottom section, 'Credentials', shows the 'API key' field with a masked value and a 'Show credentials' link. The 'URL' field contains the endpoint 'https://api.eu-gb.text-to-speech.watson.cloud.ibm.com/instances/de5e...'.
